KIMMY THRILL!

Dear *Mayfair*,

One Friday night last month, I was pissed off when my boss asked me (or rather, told me) to stay late at the office and finish some work. The place was empty and still by the time I finally finished up and I was aware that all my mates had been out on the town for a good couple of hours, so I would have to play catch up as soon as I hit the pub.

Gasping for a pint, I headed to our local, knowing that by this time on a Friday night it would already be packed out, but hoping that the boys would have got us a table or two, as I was pretty knackered. No such luck, however, and I found myself stood at the bar trying to get served for ages before finding our group loitering near the unused dartboard.

Arriving to a cacophony of boos and lurid comments, I knew the guys were already the worse for wear and braced myself for the usual torrent of abuse reserved for the last to appear on a drunken night out. They didn't disappoint and although only in jest, by the time I'd finished my first pint, I'd almost had enough of their pissed-up jibes.

Heading back to the bar to get a tequila shot that I'd promised myself after a hard

TIGHT SKIRT, PULLED

OVER ME..."**

week, I found myself drumming my fingers on the counter as I waited to be served. And that was when a really cute redhead appeared next to me. Funnily enough, I felt myself perk up instantly!

We swapped quick smiles as she sidled up, then, as we waited I started in with the small talk - you know, a comment about the wait to get served, a laugh about jumping over the bar with impatience any minute, you get the idea. At first I wasn't thinking about pulling her - yes, she was gorgeous but I figured she would be attached and just exchanging pleasantries - but when I heard her say, "Oh, I love a good suit... Is that a Paul Smith?" I knew I was in with a chance!

BREAKFAST ON TIFFANY'S...

Dear *Mayfair*,

I don't know how on Earth you manage such a high standard month after month! Your girls just get better and better - for example your latest issue 51.07... well, where do I start? I guess with lovely Kara and the super sexy Cecelia, I guess - what a couple of beauties. But for me the real cock stiffener was Tiffany! That photo of her kneeling on page 17 with her fanny lips on full show - well, a bloke could spend all day licking and nibbling at those without getting tired! How I'd love to see (and feel) those lips gripping my cock!

Let's have plenty more of Tiffany, please, and all those other delectable beauties you manage to unearth every issue!
Alan, Aberdeen.

When it was finally my turn, I got us a drink each, as well as a couple of shots, which we downed immediately. Chinking

millisecond before hooking my finger under her chin and going in for a snog. Her lips were soft and she tasted delicious - and if I

our glasses, I finally got a good look at her: long flowing strawberry blonde hair with piercing green eyes and full red lips. She was a stunner!

Chatting away, we flirted with each other - subtly at first, but more blatantly as we consumed more alcohol - until it was fairly obvious that there was a sexual spark between us. Kimmy, as I found out she was called, was very tactile, touching my arm continuously and making a lot of eye contact.

Not one to normally make assumptions, I was fairly confident that we'd end up going home together, but I wasn't really prepared for what she suggested next. The bar had gotten so busy that we were pushed together, standing close enough for our bodies to make contact, when she leant in to my ear and, kissing my neck, suggested that we disappear to the toilets and "have some fun".

I hesitated for what all of a

KNOCKERS DELIGHT!

Dear *Mayfair*,

As a self-confessed boob man, I was thrilled to see so many fine pairs getting an airing in your 51.07! Special mention has to go to Zara Mae for her gloriously rounded orbs (just imagine pushing them together and sliding your old chap between them!) and Tiffany James (likewise!), but for me the real highlights were to follow, firstly in the wonderful pairing of Donna and Chessie, who are clearly obsessed with boobs

themselves, if the pictures on page 34 are anything to go by, and then there's the magnificent Katie Thornton to add riches upon riches! Finally there's the spectacular Marie with her long golden plaits and some of the most magnificent knockers I've seen in many a moon! I don't remember having seen her in *Mayfair* before, but I certainly hope I'll be seeing her again. Cracking issue guys – thanks for the mammaries! Frank, Hemel Hempstead.

hadn't been sure about fucking in my local's bog before, I certainly was now!

We decided that I should go first so as not to attract suspicion – though the bar was so packed nobody would've noticed if we'd just got it on there and then – so I made my way to the small cupboard-like facilities and locked myself in. A few seconds later, Kimmy followed and as soon as I opened the door to her, she was all over me, kissing and biting my neck, like a woman possessed!

I followed her lead, frantically pulling my trousers down and whipping my cock out, closing my eyes for a moment as she wanked my prick to full hardness before pushing me back on to the toilet seat. Then she slid up her tight skirt, pulled her underwear to one side and stood over me, angling herself perfectly above my jutting member. With one smooth movement, she lowered herself down on me, slowly taking every inch of my rock hard cock inside her slick cunt. She felt so fucking tight; it was a relief that I didn't blow my load instantly!

Soon she was bouncing up and down on me, her big tits flopping out of her top as she did. I grabbed onto one of her hard nipples and pinched it as she continued to ride my stiff prick, trying her best not to moan! I felt her shudder as she orgasmed, burying her head in my neck as her juices ran down over my balls.

I waited for her breathing to regulate again before telling her to stand up, turn around and bend over, which she did enthusiastically, knowing what was coming. Parting her bumcheeks so I could see what I was doing, I pushed my wet dick back into her moist slit, relishing the feeling of her warmth enveloping me. Wrapping my hands around her waist, I started banging her hard, her body at the perfect angle to swallow every inch of my cock. Every now and again she'd let out cute little whimpers as I pummelled into her fast and deep.

I knew I was close, so pulling out of her, I told her to turn around and get on her knees. She obliged and, as I slid my cock between her lips and pushed my way in, she fondled my balls – and that

did it! Spunk erupted from my helmet and I grabbed her head, rubbing my swollen dick over her tongue, pumping her mouth until I was completely finished. I was half expecting her to spit my salty jizz into the loo, but she swallowed the lot – even smacking her lips afterwards to punctuate it!

We both quickly straightened our clothes and waited until the coast was clear before we made our exit. I thought she might well do a disappearing act on me now that she'd gotten what she wanted, but she didn't, instead suggesting we head back to my place to continue the fun. And who was I to argue? I've never hailed a cab so quickly! I've been seeing Kimmy ever since that night and she's a fricking vixen in the bedroom – and the pub toilet, for that matter!

Jonah, Bradford.

DREAM ANNIE WILL DO!

Dear *Mayfair*,

The pictures of Tiffany in your last issue brought back pleasant memories of a red hot sex session I experienced with my mate Gary's step mum Annie, a couple of months ago.

I'm 20 years old and one evening I'd gone round to Gary's house. After ringing the doorbell three times I was about to give up when suddenly the door flew open

Never let it be said we don't listen to our readers! After her *Mayfair* debut 5 issues ago we were inundated with letters asking us to get Jada Cameo back as soon as we could and that (give or take the odd couple of weeks off for the summer here and there!) is just what we've done! The Babestation lovely has gone down so well with fans that she bagged a nomination for 'Best Newcomer' in our annual awards, and we can't help thinking she's in with a bloody good shout, too! So if you missed her first time round, well silly you – but at least you've got a chance to catch up now!

and my jaw dropped when I saw Annie standing in the doorway wearing just a cropped white vest and a black leather miniskirt.

Annie is in her early 30s, with flowing blonde hair and a flawless busty figure – all in all not a million miles away from Tiffany!

Apologising for taking so long to answer the door, she told me that Gary was out with his dad and explained that she'd been upstairs trying on some new clothes. As I turned to go, Annie surprised me by asking me in. I gladly accepted and, as I followed her into the living room, my cock stirred and grew hard in my jeans as I eyed up her tanned legs and her cute bottom pushing

these, too," she purred. Next she took off my T-shirt and ran her hands over my chest before undoing my flies and pulling my hard, swollen cock out.

As Annie stroked her fingers over my straining shaft and fondled my balls, I slid my hands up the insides of her firm thighs and under her teasing miniskirt. As I suspected, Annie wasn't wearing any knickers – the filthy slut! She giggled as I squeezed and fondled her tight bumcheeks and rubbed my hand over her hot, shaven pussy.

"Oh yes," sighed sweet Annie, "that feels so good."

She gasped with pleasure as I plunged a couple of fingers deep inside her wet, fleshy hole. "Make me come. Please make

into her filthy mouth I grunted in pleasure, my cock erupting and spilling a hot, full load of sticky come down her throat. She pulled my dick out of her mouth and more spunk splashed over her pretty face and suckable tits – some of it even landed in her hair.

"Lovely," purred Annie as she swallowed my cock cream. Looking up at me with a

contented smile on her face, she scooped my filmy semen off her skin and licked it off her fingers. Watching her eat my spunk got me rock hard again and she rose to her feet. "Take my new miniskirt off for me, babe," she said. "I don't want your spunk all over it when you fuck me."

She giggled as I quickly unzipped her raunchy skirt, letting it slide down her legs. Completely naked, Annie bent herself over the arm of her burgundy leather sofa, spreading her legs wide open and pushing her pert, round bottom up in the air. Getting in behind her, I nudged the tip of my cock against her slippery pussy lips.

"Slide it in," murmured Annie. "Get your big dirty cock up my tight cunt and fuck me like a filthy slut," begged my mate's tarty step mum.

Annie moaned in delight when I eased my thick, veiny shaft all the way inside her shaven, pink slit and started to pump my cock in and out of her hot, juicy hole.

"Do it to me harder," pleaded Annie. "I'm a dirty, filthy whore who needs a good hard fucking," she gasped as I screwed her. I upped the pace and pulled her back onto my dick, my

balls slapping against her firm buttocks as I pistoned my shaft in and out of her tight, sodden fanny. Annie wailed in delirium as I reached between her legs and stroked her clit, my cock pummelling her pussy.

After a few minutes of shafting her hard, I reached my limit and grunted as my cock twitched up her hole and fired a thick wad of hot spunk deep inside Annie's juiced up cunt, making her squeal with pure pleasure.

"Aah, fuck," whimpered Annie as my hot jizz filled her pussy.

So far, I haven't had the chance to have sex with her again, but here's hoping!

Gavin, Penrith.

CECILIA APPROVAL!

Dear *Mayfair*,

It's always a treat when you present a lovely new black model, and they don't come much lovelier than Cecilia in your new issue! Doesn't she look the part, with her stockings and suspenders? I don't think there are many finer sights on this planet than a gorgeous brown-skinned girl sporting white lingerie, and this set of photos was the perfect example!

I'm not sure what a girl has to do to appear on a cover, but surely looking like Cecilia on page 27 has got to come close! And what a stunning bum she's got, too – she clearly likes to show it off, posing with it in full display in half the pictures, give or take. I know what I'd like to give – and it definitely involves Cecilia and her firm little rump!

Darren, Leeds.

against her tight little skirt.

"I see you like my slutty outfit," Annie said with a knowing smile as she stared at the swelling in the front of my trousers.

Without thinking, I suddenly blurted out, "Annie, is there any room for panties under your skirt?"

Annie looked at me with a saucy smirk on her pretty face. "Naughty boy," she grinned, stepping closer and rubbing her hand over my bulge. "Why don't you stick a hand up there and find out for yourself while I see how big and hard your cock is."

Before I could catch my breath Annie had lifted off her skimpy top, letting her ample tits spill free. "I guess you want to see

me come, you dirty little bastard," she moaned as I urgently stroked her clit with my thumb and finger fucked her juicy cunt.

Seconds later, Annie screamed in pure pleasure, throwing her head back as a massive orgasm pulsed through her body. Her girlie juice gushed from her pussy, drenching my hand in her sex oil.

As her climax faded, Annie got down on her knees in front of me and dragged her warm, wet tongue up and down my throbbing cock. Enveloping her lips around its swollen purple helmet, Annie took my length into her mouth and massaged my spunk packed balls. I barely lasted two minutes, and as Annie eagerly wanked me

Continuing our theme of an all-British finale to 2016, it surely wouldn't be complete without the fabulous form of Dani Maye – a model who, thanks to her incredible legs, stands head and shoulders over most of her rival! Stick a pair of heels like these on her as well, and it's almost like she's deliberately lifting those boobs of hers up to eye-level!

"What do you mean, almost? Of course it's deliberate! If you've got knockers like these, you want guys to appreciate them!"

Well have no fears on that front - we're swelling with appreciation!

John goes to a bar where he pulls a gorgeous bird. At the end of the night he's pissed and desperate to fuck her, but decides to take things slowly. Instead of trying to jump her bones he asks if he can see her again. The girl agrees to go

All through the next day he keeps repeating the same phrase. When he finally turns up at her house at eight o'clock he walks up the drive saying "Fanny with an 'R', fanny with an 'R'". He knocks at the door and the girl's dad answers. "Can I help you?" he asks. "Is Crunt in please?" says John.

A man is very ill and keeps slipping in and out of a coma. As he lies in his hospital bed his wife never leaves his side. In one of his rare moments of

lucidity he beckons to her to come close to his bed and whispers in her ear... "You've been with me through all the bad times," he says. "When I lost my job you were right there with me. When the business I started went down the pan you never wavered. When I had that argument in the

pub and got stabbed you were there all the way. When we lost the house you stuck it out with me. Then when I got so desperately ill you were still right there at my side."

The wife squeezes her husband's hand, blushing with pride.

"You know what?" he says. "I think you're a fucking jinx!"

A woman is driving around the M25 when her carphone rings. Her husband is on the line.

"Honey," he says. "I've just heard on the radio that there's some idiot going the wrong way around the M25. For God's sake be careful!"

"It's not just one idiot," she replies, terrified. "There are fucking hundreds of them!"

A blonde woman gets really pissed off with people thinking she's stupid. She decides that she's going to prove she's got a brain once and for all by painting a couple of rooms in the house all by herself. As soon as her husband leaves for work one morning she gets down to it.

When the husband gets home from work at about six he notices the strong smell of paint, then goes into the living room where he sees his wife lying on the floor in a pool of sweat. She's wearing a ski jacket and an expensive fur. He goes over to check that she's OK.

"I wanted to show you all blondes aren't dumb by doing all this painting," she croaks.

"But why are you dressed like that, darling?" he asks.

"Well I read the instructions," she answers. "And it said 'For best results put on two coats.'"

A man is at an airport car park with his wife and two children, waiting for the courtesy bus to turn up to take them to the terminal. They are standing there for ages with no sign of the bus. When it finally arrives it's absolutely packed, and while the wife and kids manage to squeeze on, there's no room for the husband or the blind man, so they have to walk to the terminal.

As they're walking along the constant tapping of the blind man's cane starts to really piss the man off. His patience eventually snaps and he says, "That noise is driving me mad! Why don't you put a rubber on the end of that stick?"

The blind man stops and says, "Listen mate. If you'd put a rubber on the end of yours then we'd both be on that fucking bus right now!"

QUEST...

Reckon it's high time we had a trio of confessions from some of our lady readers? Well so do we - and here they are!

When my relationship with my boyfriend Harry hit rock bottom a few weeks ago, I suggested we book a cheap holiday in the sun to try to fix things up. We'd been so busy with work over the past six months that we hadn't paid much attention to each other and I thought a break abroad might help spice up our very

fourth day Harry got chatting to a bloke called Stevie who was sunbathing next to us on the beach. I must have dozed off and woke up to the sound of them laughing loudly next to me. I rolled over, my skin warm and damp from the sun, and was about to complain about the noise but stopped when I saw Stevie's handsome face. He was smiling and watching me intently.

Suddenly feeling exposed,

I instinctively grabbed my bikini top to cover my large bare breasts. I wondered how long he'd been watching me as I obviously sunned my bronze chest.

"Sorry we woke you Karen," said Harry, "this is Stevie, he works in one of the bars here."

"Nice to meet you Karen. I see you like the sun," he almost whispered in a flirtatious way that I thought would irritate Harry. But even as Stevie blatantly scanned my hot slender body, my boyfriend didn't flicker. And when our new friend suggested he meet up with us for a drink that night, Harry amazingly said yes. Stevie sat on the beach with us for a little longer, constantly eyeing my figure and his attention started making me really horny. But not only did it turn me on,

the fact that Stevie was admiring me seemed to be exciting Harry too. My bikini bottoms were soaking wet with excitement by the time he left us and I couldn't wait to see him again.

I downed far too much vodka while we waited for Stevie later that evening and when he eventually arrived I was giggly and relaxed. The three of us got on brilliantly

and when Stevie asked me to dance, Harry just raised his eyebrows and smiled in encouragement. I'd never known Harry to react so well to another man giving me attention and as the night went on it became more apparent that he was really getting off on the fact that Stevie wanted me.

Harry joined us on the dance floor and rubbed himself against my bum. I found myself sandwiched between two horny men and I could feel both of their erections pressing against me. I wriggled between them and their gyrating groins made me dizzy with lust. Stevie's hands wandered to my hips and when he began stroking the shape of my curvy body. I wondered how far Harry would let him go, but he didn't stop him, instead he slipped his hands under my arms to grope my bouncing tits. I flung back my head in ecstasy, I couldn't tell who was doing what. Suddenly there were hands all over my body, stroking, squeezing.

I don't know if Harry and Stevie arranged it but we were soon making our way back to

IN FRONT OF MY
BOYFRIEND...**

our hotel room. The men walked on either side of me, Stevie with his hand down my top and Harry with his hand up my skirt. By the time we staggered through the door I was gagging for a good seeing to.

"Take her mate, I want to watch while you screw her," Harry said, taking a seat on the bed. I couldn't quite believe my ears but I wasn't about to miss out on such an opportunity.

Stevie grabbed me and pulled me to him, his stiff prick again rubbing against my pelvic bone. He began kissing me passionately and as he unzipped my tight top and skirt I heard Harry unzipping his trousers. My clothes fell to the floor, leaving me standing in just a black g-string and Harry grunted in excitement. He'd taken out his throbbing cock and began to wank it slowly while Stevie caressed my tanned curves.

But his gentle treatment didn't last long. He took hold of my fleshy boobs and kneaded them firmly, before taking my nipples between his teeth and chewing them. I yelped, at first because it hurt, but

then in excitement because it felt so fucking good. Then he whipped down my g-string and pushed me onto the floor. I was positioned on all fours at Harry's feet when Stevie thrust his pulsating dick into my sticky snatch. I moaned in delight and looked up to see Harry watching excitedly. It felt so dirty to be fucked by another man in front of my boyfriend and I loved every minute of it.

stale love life. I wasn't wrong - although things didn't turn out quite the way I'd planned.

It was such a relief to leave behind our worries in rainy Britain and chill out on the hot sands in Tenerife. We spent the first few days simply soaking up the rays on the beach and having romantic meals at night, enjoying being alone together. But on the

Stevie's cock was huge and it sank all the way inside my tight warm hole until his balls slapped against my bum cheeks. He allowed himself a few seconds to savour the sensation of having his prick swallowed by such a small hot cunt, before starting to build a steady momentum. He drew his cock almost completely out of my wet fanny before plunging it back, deep inside. I could feel his glands stimulating my G-spot and I ground down against his shaft. Stevie groaned and grabbed my heavy swinging tits to steady himself as he pounded away at my hole.

By this point Harry looked like he was ready to fire his cream. His wrist was shaking furiously and his face contorted with pleasure. But instead of releasing his spunk, he decided he wanted to join in. He knelt down next to me and forced my head onto his veiny muscle. Now skewered at either end by two enormous dicks, I was in my element. I must have looked like a wanton porn star – sucking on one cock and taking it doggy-style from another and I intended to finish like a professional.

Although I could hardly breathe because of the powerful thrusts I was taking from behind, I concentrated on sucking Harry's cock properly. I gave him long, wet strokes to make him feel like he was screwing the tightest fanny, and I managed to take it much further down my throat than ever before. Harry seemed to appreciate that and grabbing handfuls of my hair, forced my mouth further and further down his twitching shaft.

The thought of being used as a sex toy by two men was just too mind-blowing for me to cope with and as I battled to take both cocks I felt an orgasm slowly building. I grabbed Harry's buttocks and held him steady between my lips as I started rocking around on Stevie's prick. My movements stimulated my aching clitoris and in seconds I was coming hard. I would have screamed in sluttish delight but Harry began ramming his cock in my mouth again in a new frenzy and as I felt my pussy juices leak down my thighs, Harry shot his load over my face. His wrist jerked as he finished himself off all over my cheeks and mouth and he didn't stop until he'd milked every last drop from his cock.

Stevie watched as I gulped away, trying desperately to swallow Harry's come and this spurred him on. He gave my fanny a few more firm thrusts then pulled out and he too wanked his load across my face. I hadn't even had a chance to wipe Harry's spunk from my cheeks when Stevie fired his wad at my mouth. This time I was better prepared and managed to swallow a mouthful of his goo. He moaned loudly as the last stream of cream covered my lips and I finished him off with a tongue bath.

We met up with Stevie a couple of times after that night, as I said the holiday certainly spiced up our love life.

"I GRABBED HARRY'S BUTTOCKS AND HELD HIM STEADY BETWEEN MY LIPS AS I STARTED ROCKING AROUND ON STEVIE'S PRICK."

I was born in Australia and, like a lot of us Aussies, after I graduated I headed to the UK. I've been here for three years now, but my family are still back in Oz and I miss them terribly. Working as a barmaid has its good and bad points – one of the bad being that I don't earn enough to go back home as often as I'd like. Thank goodness for Skype!

However, at the beginning of this year, after saving hard for months and an unexpected Christmas bonus, I was able to afford to head home for a couple of weeks.

After spending a few days with my family, I posted on Facebook to see if any of my old mates fancied a catch-up while I was there. One of the people who responded, much to my surprise, was an old school friend called Tanja, who I hadn't seen in about a decade. I had a nosy around her profile, as you do, and found out she had a girlfriend, Maddie. Although she'd never come out when I knew her, it wasn't a huge shocker to find out she was a lesbian – she'd always been the adventurous type, but never had a boyfriend, whereas the rest of us had had more than a few!

We arranged to go out for drinks, but I wasn't expecting her to bring Maddie along – not that I minded, of course. I really got on with Maddie from the off – she was quiet, but not the type who'd put up with any bullshit. When I talked about my boyfriend back in England, Tanja seemed a bit disappointed, "I could've sworn you were into girls," she said, "My gaydar must be out of whack!"

"Not at all," I replied, grinning broadly, "I'm not fussy – I swing both ways, after all!"

Maddie laughed at that and I was sure that she became just a bit flirtatious with me. Tanja was always a tactile person, but Maddie would occasionally brush my arm or hand while making eye contact over the course of the night, and with a few drinks in me, I found that every time it happened, my clit would twitch.

When closing time crept up on us, the girls definitely weren't ready to call it a night, inviting me back to their place for cocktails.

"I make a mean Cosmo!" Maddie told me, enticingly. Who was I to refuse? Even though Tanja was pretty sexy, I'll admit it was Maddie I really fancied. Things were a little bit awkward at first – I don't think I was nearly drunk enough – until Tanja went out to fetch more drinks, that is, and Maddie decided to sit next to me on their plush sofa.

"I know you fancy me," she whispered, leaving me a little stunned. How are you supposed to react to that? Luckily she wasn't waiting for an answer and before I knew what was happening, she'd leant in and gently kissed me on the lips. I felt a bit flustered and went to pull away – her girlfriend, my mate, was in the next room, after all – but she pushed towards me and kissed me more firmly, holding my face in her hand.

Tanja timed her reappearance perfectly, coming back into the room just as Maddie started to snog me properly. I jumped, pulling back and looking guiltily up at her, but Tanja simply put the drinks down, grinned and sat on the other side of me, caressing my bare shoulders. I got the impression that this wasn't the first time this had happened.

Once I realized that it was cool, I relaxed and kissed Maddie back as her tongue slid into my mouth, exploring, as her girlfriend nuzzled into my neck, causing my pussy to tingle and dampen. I'm not sure how, but the three of us ended up entwined around each other, snogging, caressing and licking bodies, our clothes disappearing item by item, until we were all naked.

Tanja pushed me back so I was lying on the sofa and told Maddie to "jump on", which Maddie did, squatting over my face, her legs straddling my head and her pretty shaved pussy opening up as she splayed her legs a little. I licked her fanny, tentatively at first, but soon I was lapping up her tasty, musky juices and nibbling softly at her clit.

I didn't realise what Tanja was up to until she shoved a pink jelly double-ended dildo between my face and Maddie's vag, ordering me to suck it before disappearing with it

bald mound.

Trying to concentrate on Maddie's fanny as Tanja screwed me with the double-ender, I rolled her clit between my fingers as I tongue-fucked her, relishing the little mewling noises she was making until she came, squirting around on my tongue. She spurted her juices into my mouth – a new experience for me – then settled back to watch while Tanja and I brought each other off. We finally collapsed into a heap, which is where I woke up the next morning!

I wouldn't have minded doing it again, but it was sadly a one-off. However, I keep in touch with the girls now I'm back in the UK and we've said we'll meet up again when I next head back home. They did make me think about pulling women more often, though, and I figure I might just head down to a gay club sometime and see if I can pull myself a girl to fuck for the night!

ourselves all of the time. We met loads of people, but had the most fun when another Brit – a lad called Jim – moved into the hut next to ours. By this time I was all tanned, more toned (from all the fucking and exploring we had been doing) and had got used to wandering around with not much on. This apparently made me Jim's wet dream.

I REALLY WENT FOR IT, TAKING HIM DEEP AND RUBBING HIS BOLLOCKS AGAINST MY CHIN.

Of course Marco – who had an evil sense of humour – got off on me winding Jim up, wandering around in my G-string bikini, and so on.

One afternoon, I was lazing around the hut when Jim crept in as quietly as he could. "Jim's having a wank next door!" he said. I'd been listening to my iPod, but when I switched it off, I could hear him moaning. He didn't actually call my name, but Marco reckoned he was definitely thinking about me while spanking his monkey.

Marco then said we should really give him something to get excited about. It was always hard to say no to him, especially when he had a hand in my knickers! As he fiddled away at my clit, I was all but purring with pleasure. I'm a bit of a moaner and screamer anyway, but this time I laid it on really thick for

again. She moaned loudly as she inserted one end inside herself and my body trembled with anticipation as I tongued her snatch, knowing where the rest would end up.

Despite this, I jumped as Tanja spanked the free end of her dildo lightly against my mound, before butting the head of it against my hole. I was so wet the dildo seemed to slide inside me faster than Tanja wanted it to. She kept pulling back and trying to screw it slowly and gently, but soon gave up on that and started thrusting hard instead. I felt my pussy squelch and suck on it, the sound dampened out as Maddie's thighs tightened around my head.

Maddie was squirming on my face and although the dildo had looked quite long, mine and Tanja's pussies were swallowing it up totally, so that we met in the middle and I could feel Tanja's pubes brush against my

I'm now in my final year at college and, as well as knowing I'd have to buckle down to study this year, I also realised this would be my last opportunity for a mega-long summer break. Once I graduate I'll be looking for a job! So I decided to do Thailand on a shoestring budget, living in a hut on the beach.

I wasn't sure at first – I'd never stayed anywhere so basic. But I gave it a couple of weeks and ended up loving it, especially when I met a bloke called Marco. He was Swedish, probably spoke better English than me and was fit as fuck! If it wasn't paradise then it was pretty close – Marco had the biggest, hardest dick I'd ever played with and just messing around with each other under the stars – or in the sea, when we could get away with it – was such a turn-on.

Obviously we didn't keep ourselves to

Jim's benefit.

All Marco was wearing was shorts, so I got his cock out over the elastic and started giving him one of my special blow-jobs. I gave a running commentary right up until my mouth was too full to talk, and then Marco took over, telling me to suck him good, loud enough for Jim to hear. The idea of some bloke getting turned-on by our fucking got me all wet and excited.

We were keeping half an ear open for Jim's reaction – and soon realised he was now outside, watching us through a tiny gap at the side of the bamboo window-blinds. And, as far as we could tell, he was still wanking away.

"Oi, mate!" Marco said, sounding scarily English. "Come and join in the fun if you want, don't stand out there!" We assumed he'd bolt – I actually felt sorry for the poor

my eye level.

It looked so huge, the tip of it all purple and engorged, so I started by licking it all over. He tasted sort of meaty and salty, hot against my tongue. I thought he'd blow at any second but when he didn't, I started sucking him in a bit further, a bit harder.

As I let out a groan, Marco started giving it to me harder, too. One minute he'd be thrusting in and out really fast, the next, he'd just bury his cock deep in my hole, grinding hard up against my slit and crack. A couple of times he shoved me forward, so I took Jim's prick right down my throat. In the end, I curled my fingers round Jim's root, so I had some control over how deep I was taking him – you need it with a cock that size! But this also meant I was able to let him just fuck my mouth.

So there I was, on all fours in a beach hut, one big cock pounding away at each end. Marco slowed down a little bit now, pacing himself but I kept up the suction on Jim. He didn't even try

to resist. The second I felt that little twitch that said he was close to coming, he just groaned, "Yeah..." and the next second I was taking two ripe bollocks-worth of spunk down my throat.

Still reeling from this he made a move for the door, but I told him to stay where he was.

I wasn't finished with him yet. Marco was fucking me too hard

and fast to last, and a couple of seconds later he pulled out, spraying my arse, then using his cock – still hard – to trace patterns in the mess and rub it all up and down my juicy crack.

I did let Jim nip out to get his bed-roll, then I just lay in between the boys, letting them have their fun with me. I told them the first one to get hard again could do me up the arse, but Jim settled for fucking my pussy, while burying his thumb in my backdoor. Marco just took things easy, wanking slowly until he was ready to take another sucking, and when Jim shot his load up my cunt, he was ready to take over fucking me again. I don't think there was one time a hard cock wasn't waiting when I needed one, and I didn't leave the boys hanging around either.

Unfortunately Jim was travelling around the country, so we only saw him for a few more days. After that, Marco and I kept it on a one-on-one basis, until he left to go back to Sweden. We spent our last weekend together banging each other senseless, so much so I practically bathed in his spunk! I'll always remember my time in Thailand – it was the trip of a lifetime!

sod. But instead he stood exactly where he was and asked if we really meant it. I still had a mouthful of Marco's cock, but I nodded.

I was still sucking when Jim walked in. He had a pair of baggy swimming trunks on and one hand down them, but I felt my eyes go wide when he pulled out his cock. He was one of those little blokes who somehow manage to be massively well endowed. Even Marco looked a bit taken aback when I shot a glance up at him.

He responded by grabbing the back of my hair, not roughly, but letting me know he wanted me to carry on sucking him. I really went for it, taking him in deep and rubbing his bollocks against my chin. Jim still wasn't sure exactly what to do, so he just stood there wanking away. I got this tingly tightness in my pussy so, as I sucked on Marco's cock I started frigging myself, three fingers up my wet snatch.

At last, Jim got the message and moved towards me, but Marco suddenly pulled out of my mouth, got in behind me and stuck his cock into my cunt. Jim let out a groan, gritting his teeth – frustrated or maybe just turned on by what he was seeing. I felt a bit pissed off with Marco getting possessive, but I didn't have to feel disappointed. I licked my lips, moistening them, and Jim walked round to the front of me, wanking his cock at

One of the (admittedly, many) great things about working at *Mayfair* is watching how a model develops over time. It was about a year and a half ago we first featured Bexi, and while it was pretty clear from the start she was something special, just look at the confidence with which she's striking these poses here! It's almost like she demands that we worship her, isn't it? And do you know what, with looks like that, we don't think it's an unreasonable demand, either.

□□□□□□□□

Being highly cultured types here at *Mayfair*, we all naturally popped into the ROH for its traditional staging of *The Nutcracker Suite* over Christmas. Sadly we'd had a bit too much mulled wine beforehand, so most of it passed us by – but we reckon Tommie Jo going through her ballet steps for us here is more than ample compensation. OK, so there might not be the music or the stage dressings, but TJ undressing knocks all that into a cocked hat! Can you think of a tastier looking cracker for your nuts? Nope, us neither!

Our bongo reviewer's probably seen more scruff flicks than you've had hot dinners, but he still keeps coming back for more! So we threw him these three to keep him going this month...

Wicked

REUNITED

CAST: Katy Kiss, Abella Danger, Bianca Breeze, Lauren Phillips, Cassidy Klein, Sara Luvv.

It's the age-old problem. You're engaged to one super-hot porno starlet but not entirely convinced you're doing the right thing, and then you run into an ex, who happens to be another super hot porno starlet and, well, you really don't know whether you're coming or going any more. Except, of course, you're mostly coming, along with everyone else. This time round it's poor Seth Gamble who finds himself on the horns of this particularly horny dilemma, and has to set about untangling all the emotional complexities in his life by shagging people. But before we get to that, for no clear reason, we get to watch some other people having it off first. It's all very diverting, watching the likes of Katy with her ginger minge and be-bushed Abella getting pronged, but I wanted to know

how things were going to turn out for Seth. Sadly it all ends rather messily – with his ball-butter splashed all over Cassidy Klein's arse and then Sara Luvv's chops. And even then I wasn't sure which one he preferred. Frankly, I'd happily take either.

Digital Playground

THE RED VIPER

CAST: Eva Lovia, Monique Alexander, Aria Alexander, Alix Lynx, Rachael Madori.

I might be sticking my neck out here a bit, but while I'm a huge fan of porno flampers, a lot of films they appear in don't necessarily play to their strengths. Acting isn't always their strongest suit, so I doff my cap to whoever came up with the idea of this film, which is set in a strip club – stripping most definitely is one of their strongest suits. Eva Lovia, puts in a little turn on the pole before heading off for a private dance which, thankfully for us and for stud Derrick Pierce, quickly evolves into a full on fuck session. Great slurping noises as she sucks on his pole lead us into a nice slurpy screw before he spuffs on her old school bush.

That takes half an hour, and there are still 5 scenes to go. Monique Alexander makes the most of Bill Bailey's thick plonker, and after some lesbiage from Aria and Rachael it's blonde Alix – a cop infiltrator! – who gets in on the action. Still, it's Rachael Madori who steals the show with an electric DP. A daft plot, really, involving a hamfisted heist, but the sex on display is sensational.

Private

FLESHY GIRLS

CAST: Amy Wild, Jasmine Black, Jessica Moore, Marina Visconti, Sirale, Terry.

If you're going to buy a bongo flick called *Fleshy Girls*, you'd probably be expecting a films that features a slew of gargantuan girls getting pronged, but having sat down and watched this one from start to finish (my finish, I mean), all I can say is that you'll be disappointed. Admittedly the girls aren't overly skinny, but they're a long way off the bunch of heffalumps you might have been hoping for. Covergirl Amy Wild, for example, boasts a cracking set of charlies, but apart from that she's perfectly normally proportioned, and is, therefore, in perfect shape to grapple with the two cocks presented to her in the

opening scene. Amy closes the deal on buying a villa by insisting on fucking the estate agent and (get this!) the shirtless pool cleaning guy! Well, they subject her fleshiness to all sorts of double

★★★★☆

pokings, and she looks none the worse for any of it. Busty Sirale is, admittedly, on the slightly more comfortably built side, but still looks the part as she takes a POV pronging, her tits wobbling wonderful with each thrust, as do Jasmine's in the course of a frantic backdoor banging. Terry, meanwhile, manages to involve both a laptop and a desktop in her scene, having technical problems on the former before getting rimmed and bummed on the latter. And we haven't even got round to the DPs for Marissa and Jessica, both of which are from the top drawer.

Time for one more newbie before we call it a wrap? Why yes, there is! Alice here may only be a tender 20 years of age, but she's clearly got her head around her sexuality alright, from what we can see...

"Yes, I have! I've always known I was a very sexual person, and as soon I was old enough I began exploring that side of my nature. Appearing in Mayfair is just one of the things I intend to do!"

Well let us know if we can help with any of the others!

LUCY ZARA

Age: 36 Vital Stats: 34F-24-34 5'7"
Photographer: BB Media

Lucy Zara caused quite a noticeable swelling in our postbag when she appeared back in the spring, so we thought we owed it to her, and you (ahem, and ourselves!) to ask her back for another squizz at her perfectly formed frame! And by way of thanks, she's only gone and dolled herself up in sussies for us. Really, if she keeps this up, we reckon we might just have to ask her back again before too many moons have passed...

MARILYN

PHOTOGRAPHED BY ROY BREWINGTON

MAYFAIR
Classic

'A motorcycle is like a man – the bigger and more powerful the better the ride you get. And I like to ride fast.' This straight-talking attitude to life comes from 22-year-old Marilyn Grove who has been a motor-cycle fanatic since she got her first bike at the age of 12. 'My father and older brothers used to go scrambling and always took me along too, so it just seemed natural for me to start riding as well.'

It might seem difficult to believe, but Marilyn is a fully-trained motorcycle mechanic and can strip down a bike before you can say Kawasaki. Whenever she is not tearing through the streets of her native Leeds you will find her firm-breasted 35-24-36 figure hidden inside a pair of overalls at the local garage. 'They wouldn't take me on full-time, but they did agree to let me train there and I do some work for them. One day I hope to qualify properly and become a professional mechanic, because when you wind a bike up to the ton or even higher it is reassuring to know that you have maintained it yourself. There is a special relationship between me and my bike - almost sexual. It is more powerful than me yet I can still control it.'

When it comes to men, Marilyn is not interested unless they have a large bike and know how to ride it. In fact she met her latest boyfriend that way. 'I was in town and when I parked some guys saw me and made a few comments about women on bikes. I was so mad I challenged the biggest one to a race. It was just on the spur

of the moment, but he agreed, so I couldn't back down. We met on a quiet road outside town and he thrashed me. But he was so impressed with my riding that he asked me out. But don't get the idea we're tearaways. Bikes are very safe if you know how to handle them. And as for the thrill of making love on the seat of a large bike . . .'

Classic

Cast your mind back 35 years – were you interested in girlie mags then? If so, there's chance you might have stumbled across these pics of Marilyn who, lest anyone be in any doubt, wasn't interested in owners of big bikes unless they knew how to ride them! And to be honest, who could blame her? – I hate those motorcyclists who don't actually know how to ride!

MAYFAIR

Vol.53 No.11

On Sale Oct 17th

Now we've all had enough of complaining about how hot it is we can settle back into our natural state of complaining about how cold and miserable it is – phew, what a relief, eh? But while we might all be thinking about rummaging out the thermal undies and coats once again, we're delighted to report that not everybody here at Mayfair is buying themselves getting all wrapped up. No – the girls, thank God, are still more than happy to devote a lot more of their energy to taking their togs off! And if you don't believe it, check out our brace of newcomers Chelsea and Keyleigh next month!
